We deliver on your schedule

We deliver when you're at home - not when the parcel shops are opened ;)

We redefined ← returns

The app interface on the smartphone shows the following elements:

- Status: Delivered** at the top.
- A progress bar with three green checkmarks in circles, labeled **Picking**, **In Delivery**, and **Delivered**.
- A message: "Your order #4321521 at Price Store has been successfully delivered."
- A section for delivery details: "Delivered on" followed by a clock icon and the time **18:00 - 18:00**.
- A question: "You want to return an item?"
- A reassuring message: "No need to step to the next parcel shop! See pick up your return at your door."
- A calendar view for **November 2021** with the 7th highlighted in green.
- A section titled "Available time windows" with three options: **10:00 - 12:00**, **14:00 - 17:00** (highlighted in green), and **19:00 - 20:00**.
- A large green button at the bottom with the text ***-> Schedule your return pickup**.

■ Book a return.

Decide for a scheduled pickup return instead of going to the next parcel shop.

■ Choose a time slot

Let us know when we should pickup your return - it should fit your schedule.

■ We'll pick it up!

We will pick-up the parcel at your chosen date and time window.

zero-emission deliveries

Avoid not compensate

We avoid 420 grams of CO₂ per delivered parcel by using sustainable cargo bikes or e-vans. No need for any compromises, because consumers value authenticity.

We transform logistics

We rely on microhubs that are distributed throughout the city to maximise the efficiency of our tours and operate in a resource-saving way.

We have the perfect solution → for every industry.

Electronics

We deliver an experience
- safely and reliably.

Pharma

For the highest demands
on safety and reliability.

Fashion

Shipping as part of the
shopping experience.

Foodboxes

Speed and reliability are
essential when delivering
food.

We already deliver → in Germany.

We are already on the road in all metropolitan
and major city regions in Germany.
The next step is internationalization.
