PRICE

No markups

RANGE

Combined stock range of our partners

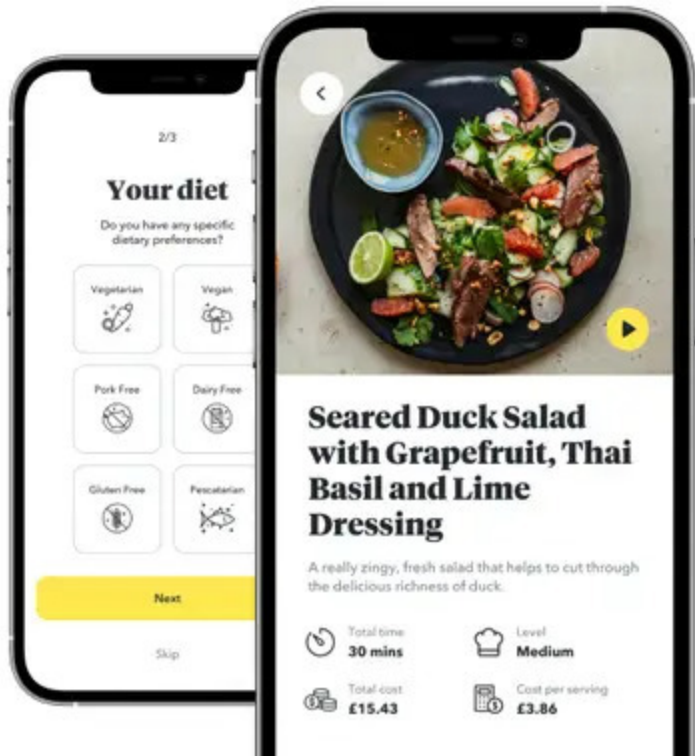

CONVENIENCE

Shopping on auto-pilot + all in one place

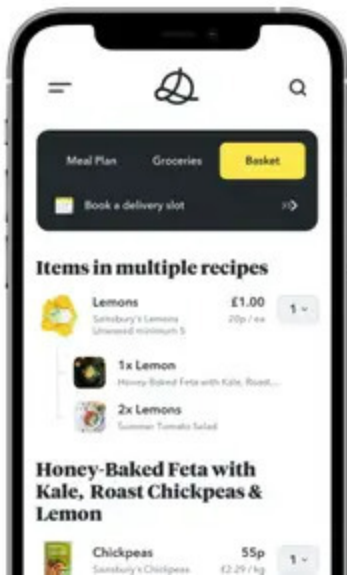

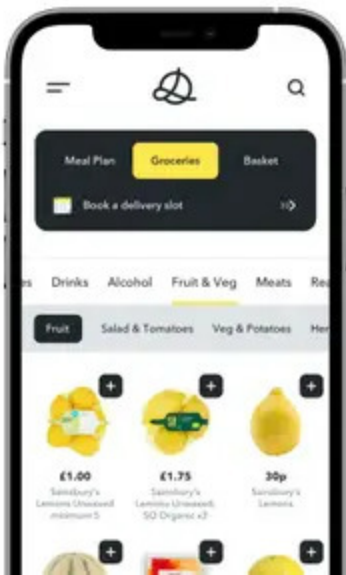

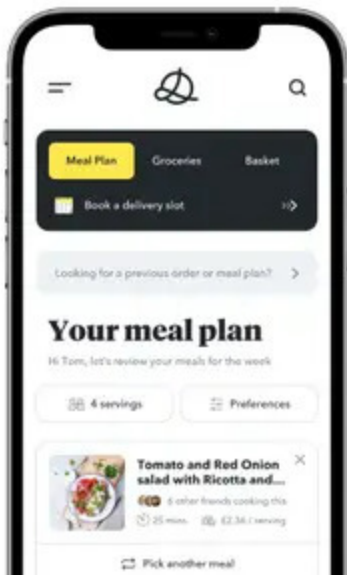

EMERGING

TRADITIONAL

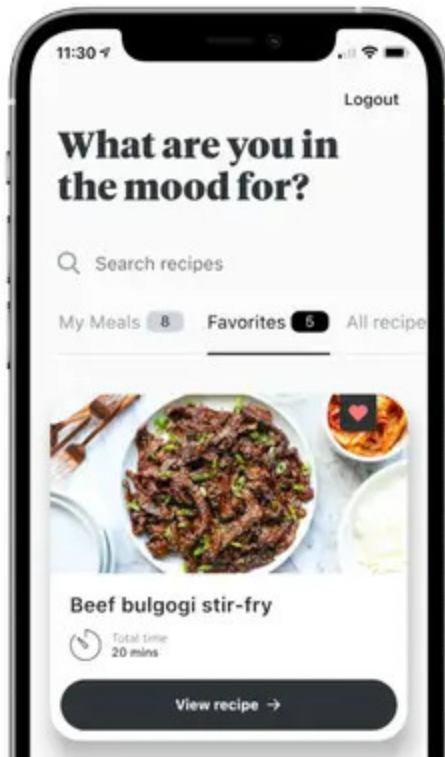

**Personalised meals
everyone will love**

The rest of your basket filled in the blink of an eye

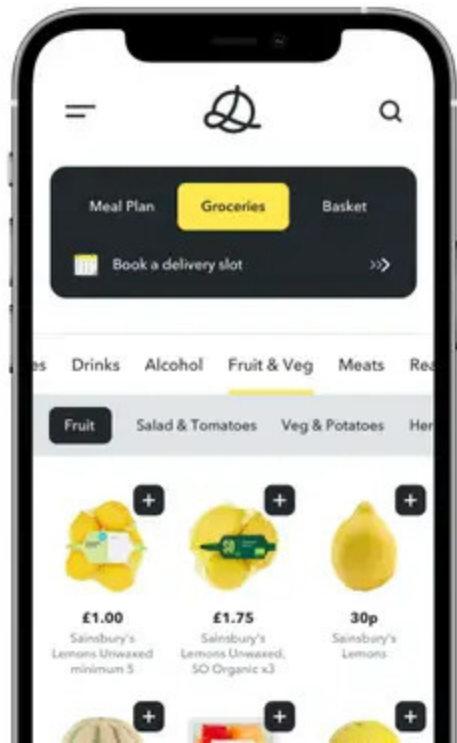

**A companion app that
helps you rustle up
something unforgettable**

**And one day an AI-led assistant
that will do it all for you
(though the cooking
might be a bit of a stretch)**

**We've integrated with Sainsbury's
with live stock on 30K products**

Sainsbury's

**Alongside in-house development,
we're partnering with the UK's
most popular recipe site**

the goodfood

BRAND PARTNER

lollipop

PROPRIETARY

Lollipop original plant-based recipe:
Beyond Meat Burger with Sticky Red Onions & Smokey Mayo

"It went super smoothly and saved me time and headspace when I had literally none to spare"

"Update: Our 11 month old couldn't get enough of this for dinner tonight"

"Had to self-isolate this week. Lollipop was a life-saver... Keep doing what you're doing. 🥰🥰"

"I've been trialling Lollipop + absolutely love it. My biggest gripe in life is meal planning"

"Lightning fast shop for me this morning..."

"Just done my 2nd Lollipop shop in record time..."

**We've struck a chord
with our highly engaged
Pioneers community
who are providing
invaluable feedback daily**
