MOJO IS FOR YOUR "I KNEW IT" MOMENTS

- ✍ 1st and only way to invest in an athlete's career statistical performance
- 👤 Scalable platform for all professional and amateur athletes
- 📱 Mobile app launching in September 2022

HOW MOJO WORKS

REAL ASSET, REAL STATS

Buying shares entitles customers to a payout based on career-ending stats.

LIVE ODDS ON A CAREER

Share prices rise and fall based on a real-time projections of the career-ending stats.

BUY OR SELL ANYTIME

Build a portfolio — buy or sell anytime whether it's play-to-play or season-to-season

HOW THE PAYOUT WORKS

The pay out is based on a simple weighting of an athlete's career on-field performance

Share prices move with performance, news, and anything else that affects the market's expectations for career-ending value.

FULLY-LICENSED IN NEW JERSEY

- We believed this new product would be bigger, better and safer with regulatory oversight
- No initial oversight possible as CFTC does not regulate sports and state sports gaming commissions only regulated conventional bets
- Petitioned NJ Division of Gaming to treat Mojo stock as a new, long-term sports futures contract and to regulate under gaming laws
- Approval secured in August of 2022; Customer protections include age restrictions, risk disclosure requirements, deposit reserves and others
